RX SAVINGS SOLUTIONS NAMED TO INC. 5000 LIST OF FASTEST-GROWING PRIVATE COMPANIES

OVERLAND PARK, Kan., August 16, 2018 – [Rx Savings Solutions](#) ("RxSS") has been named to *Inc.* magazine's 37th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies.

Rx Savings Solutions provides cost-saving and advocacy tools that help employers, health plans and members reduce pharmacy spend. The software layers on top of an employer or health plan's pharmacy benefit to provide personal prescription guidance for every member.

On an immense scale of growth since the company was founded in 2012, more than 2.5 million members have access to the online tool today. The innovative, patented engagement software system makes it easier than ever for consumers to understand their prescription options.

"We are thrilled to be recognized as part of the Inc. 5000," said Michael Rea, a clinical pharmacist who founded and currently leads Rx Savings Solutions. "It is a true testament to the dedication and effort of the Rx Savings Solutions team and we look forward to another year of growth while empowering employers and employees to become better healthcare consumers in 2018."

Rx Savings Solutions' system is HIPAA security compliant. All interaction between the software platform and the member is confidential. Rx Savings Solutions is without bias and delivers the most precise, cost-effective data to members based solely on the location and medication needs of each user, while keeping them within their benefit plan.
